

BITE Department Course Information

Year 10 - ICT Programme of Study 2010-2011 DIDA

Students are to undertake a 2 unit course of study in Customising Software and Communicating in the ICT Industry. Upon successful completion of the two units, students will gain a Level 2, GCSE equivalent award between C and A* depending upon their level of achievement.

DIDA stands for Diploma in Digital Applications. There are 4 units to the course:

D201: Using ICT

D202: Multimedia

D203: Graphics

D204: ICT in Enterprise

Across these units, students will learn a variety of skills in web design, database searching, spreadsheets, graphic design and flash animation.

There are different qualification routes available:

AIDA: 1 GCSE

CIDA: 2 GCSE's

CIDA+: 3 GCSE's

DIDA: 4 GCSE's
